WRS Employer End-of-Year Reminders

Contribution File Upload Deadline

Please remember your retirement contribution file upload and payment must be submitted by the 12th of the month for the preceding month.

This deadline is especially important for the December 2014 reporting period. Your cooperation in getting December's contribution payment and file upload in by the Jan. 12 deadline will make it possible for your employees to receive their 2014 pension statements in a timely manner.

WRS Cannot Accept Prepayments

WRS cannot accept prepayment for employees who are terminating or retiring. All retirement contributions must be reported on the Contribution Template for the month in which the employee worked the hours pertaining to the contributions.

Happy Holidays from WRS. If you have any questions or concerns, please contact WRS' Employer Relations Section at (307) 777-6865.
