RETIREMENT APPLICATION

Before you begin:

Planning and preparation are essential for a successful retirement. Here is a list of things you can do to help ensure a smooth changeover to retirement. You can also watch the process on the WRS YouTube channel (<https://www.youtube.com/watch?v=rNiPB7pgVO8>).

WRS does not accept an application for retirement benefits more than 30 days prior to your last working day, but there are still a few things you can do to get ready.

Update your contact information:

Open the Wyoming Retirement System portal at <https://pension.wyo.gov/>. Update your contact information by clicking "Edit My Profile" on the Fast Task menu on the right side of your screen.

Update your beneficiaries:

Once in the portal, check your eligibility for full retirement prior to completing your application by clicking "Estimate" at the top of your screen and following the prompts. Eligibility depends on your plan, age and months of service.

Consider your payment options carefully:

(<https://www.youtube.com/watch?v=hdbcGYDdARE>). The option you select becomes permanent and irrevocable once you apply.

Lastly, if you are within thirty (30) days of your last working day, you can apply Online (<https://pension.wyo.gov/>) through your retirement portal. Applying on-line is the quickest way to get your benefit. However, if you prefer to fill out a paper application, you can do that as well. Whichever way you choose, you will need to have the Information listed in step 1 to complete the application process. Finally, WRS would like to congratulate you on starting the longest vacation of your life.
